

## Bi-fold windows

An increasingly popular choice, Liniar bi-fold windows fold back in a concertina-style to offer a full-width opening and maximum air and light.

Liniar bi-fold windows are popular for use in conservatories and orangeries and are also ideal for the commercial sector.

During the summer months they can transform a café or restaurant giving any establishment an outdoor, open feel, while also being secure and child-friendly.

If a bi-folding door isn't an option for your home, a bi-fold window can offer similar benefits whilst allowing you to retain valuable wall space inside your property.

Made to measure, a Liniar bi-fold window can be manufactured up to 7 panes wide and 1800mm high.

Your installer will be able to advise you on the choices available, or you can visit the Liniar website at <http://www.liniar.co.uk/windows/bi-fold> to see the stocked colour options and find out more about Liniar bi-fold windows.

### Options at a glance:

- Standard 4-chamber frames
